## Tuition Payment and Billing Procedures

- Tuition is based on a ten-month period and is due in full, despite vacations, school closures, illness or absences.
- Payments will be made in ten equal installments, each due on the 10th day of the prior month to which it applies. (Aug 10—for September tuition)
- We prefer that you make payments by automatic withdrawal. If you pay by check and we receive two late payments, we will require that all future payments be made by automatic withdrawal.
- If you need to make other payment arrangements, we will be happy to discuss reasonable alternatives.
- We offer a 10-percent discount for the first sibling of a full-time enrolled student. This discount applies to the student with the lower tuition fee and cannot be combined with any other tuition discount.

We charge a \$30 fee for each returned payment. If we do not receive a tuition payment by the 5th day of the month, we charge a \$25 late fee. If we do not receive payment by the 15th day of the month, your child will not be allowed to attend the school until you make payment arrangements with Arbor Montessori.

Drop-in care may be available outside of contracted times at the rate of \$20 per hour, rounded to the nearest quarter hour. These fees are added to your next tuition payment. You are required to call the school to determine whether space is available for your child. Children in afternoon care who are picked up after 6:00pm will be billed at \$5 per minute.
